

# Indoor Classification Tables

# Indoor Classifications - Quick Reference

## Overview

The ArcheryGB indoor classification system consists of 8 different awards that recognise progression through various milestones. The 8 awards are split into three tiers -

- The **Archer Tier** is aimed at a wide range of club-level archers
- The **Bowman Tier** is aimed at archers who are at the level where they might choose to enter competitions, right the way from club-level events to national level events.
- The **Master Bowman Tier** is aimed archers competing at the highest levels of the sport.

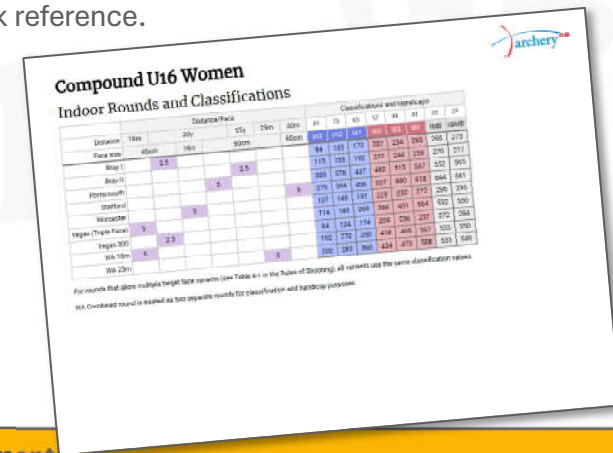

## Claiming a Classification

To claim a classification, you need to shoot rounds totalling a set number of arrows above a threshold score. The total amount of arrows changes as you move up the tiers. You can mix and match rounds of different lengths to make up the total.

Unlike the outdoor classification system, **all** levels of the indoor classifications are administered at club level. Speak to your club Records Officer or other officials to find out how to claim these awards.

## Classification Tables

The following pages of this document contain the complete classification tables for all combinations of bowstyle, gender and age-group, and also include descriptions of each round. Print out the page that's relevant to you and keep it with your archery kit as a quick reference.

	Sub Levels	Award Requirements			
		From rounds totalling	Rounds	Type of event	Administered by
<b>Archer Tier</b>	Indoor Archer 3 <sup>rd</sup> Class	10 dozen arrows	Any round with a score shown on the classification table	Any event	Clubs
	Indoor Archer 2 <sup>nd</sup> Class				
	Indoor Archer 1 <sup>st</sup> Class				
<b>Bowman Tier</b>	Indoor Bowman 3 <sup>rd</sup> Class	15 dozen arrows		Any <i>competitive</i> event	
	Indoor Bowman 2 <sup>nd</sup> Class				
	Indoor Bowman 1 <sup>st</sup> Class				
<b>Master Bowman Tier</b>	Indoor Master Bowman	Any Record Status Competition			
	Indoor Grand Master Bowman
